

GOLF AT GRANDOVER

36 holes of world class golf are right outside your door, designed by Graham and Panks International. David Graham, winner of the U.S. Open and PGA Championship, and Gary Panks, have built award winning courses from Scottsdale, Arizona to Canada, Thailand and Australia. Built amidst our 1500 acres of oak, pine and dogwood covered hills, the courses provide a blaze of color that assure golfers they are in the Carolinas, America's heartland of golf.

Grandover is spectacular, championship golf. You can see it in every detail – from the immaculate fairways, undulating bentgrass greens and picturesque stone bridges crossing creeks and streams to the superb club atmosphere and outstanding service. Playing from the gold tees provides the ultimate golf challenge – while 4 tees on every hole ensure the course is ideal for players of every level.

Grandover carries a ★★★★★1/2 Star rating from *Golf Digest*, which includes the course in "AMERICA'S BEST PLACES TO PLAY." For serious golfers looking for additional courses, *Golf Digest* ranks the Greensboro area second in the nation for the best golf in a metropolitan area.

Grandover is home to The Grandover Golf Academy and PGA Master Professional Jim Nemeti. The Academy offers state of the art video analysis putting students side by side with the best players on the planet. The indoor studio allows classes to be conducted rain or shine. Private individual lessons, group clinics and full day golf schools are available with prices starting at just \$50. Join one of the few Master Teaching Professionals in the country and his staff to make this your best golf year yet!
